Please let us know ASAP should you **not** be able to bake a cake.

Your cakes will be auctioned off on Pet Day and the team making the most money will be awarded the famous 'Mighty Mum Challenge Cup' (currently held by the mums).

We would like all other school families to start baking over the holidays for our Pet Day cake stall. Plates will come home on the first day of next term.

Thanks to all who have handed in their Pet Day forms. Everyone else, please let us know ASAP what animal your child is bringing.

If you are bringing a dog to Pet Day:

- Dogs need to be on a lead at all times and will be kept in the swimming pool enclosure
- Excessive barking may result in you being asked to take your dog for a walk during lamb/goat judging
- Your dog needs to be able to cope with other dogs and children, i.e. if they are anti-social it might not be such a good idea to bring them.

Other animals will be showed/judged in the Kowhai Room.

Please find enclosed the finalised programme for the day
