Stationery Accounts

We would appreciate if the stationery accounts could be paid by the end of the year (especially the camp fees). Invoices for our Matai Class students for their camp fees are enclosed.

Mimi Pool

The Mimi School pool is still a work in progress. The water is very warm and it looks crystal clear but it is NOT ready for swimming in. We are waiting to have the filter pump replaced and the inside of the filter needs some repairs. Hopefully, fingers crossed, this will happen in the next few days. We will let you all know as soon as the pool is open for swimming. If you have a key, that forgot to return itself to school, please **DO NOT COME SWIMMING!!**

In the meantime, we are looking for someone who would be available to help out with the pool maintenance over the summer holidays. Please let us know.

Due to the high maintenance costs for the pool we have decided to increase the cost for a pool key this summer to \$15 for school families, and \$25 for non-school families (with \$5 refunded when the key is returned at the end of the season).

Just a reminder that it is the parents' responsibility to ensure their child/ren are putting sunscreen on every day. There is sunscreen available at school also. Remember that hats have to be worn in Terms 4 and 1. Be sunsmart—slip slop slap!

Head lice

There have been isolated cases of head lice reported by families to school. Please be vigilant and check your child/ren's hair. If you have treated your children, remember to re-treat a week later and make sure you thoroughly wash bedding also to guard against re-infestation.
