Mimi Pool

The Mimi School pool is almost ready to open for the summer. We hope to have it up and running by Wednesday next week. We will let you all know. **Please DO NOT use the pool until we have notified you that it is safe to use!**

We are still looking for someone who would be available to help out with the pool maintenance over the summer holidays. Please let us know. There will be a pool workshop held for people interested in helping out. Date TBC. Due to the high maintenance costs for the pool we have decided to increase the cost for a pool key this summer to \$15 for school families, and \$25 for non-school families (with \$5 refunded when the key is returned at the end of the season). If you would like to use the pool over the holidays, **keys need to be picked up before the last day of term, Thursday, 13th December.** If you kept your key from last year, please make sure you still come and see us and **sign the new pool agreement.** The fees will be added to your stationery account.

Absences

If your child is absent from school, please make sure you let the school office know **before 9am.**

Newsletter

This is the last newsletter for the year. Keep an eye out in your letter-boxes for the Community Newsletter which will go out towards the end of next week.

Be Sunsmart!

Just a reminder that it is the parents' responsibility to ensure their child/ren are putting sunscreen on every day. There is sunscreen available at school also. Remember that hats have to be worn in Terms 4 and 1. Be sunsmart—slip slop slap!

Head lice

There have been isolated cases of head lice reported by families to school. Please be vigilant and check your child/ren's hair. If you have treated your children, remember to retreat a week later and make sure you thoroughly wash bedding also to guard against re-infestation. Girls, please tie up your hair.
